POM-PON

WRHS is proud of her colorful pom-pon girls. These ten girls are chosen in the spring by vote of the pep club cabinet on the basis of interest and service to the pep club. Their duties include taking pep club attendance at pep rallies and athletic events, helping to conduct pep club meetings, and helping to promote school spirit in general. During the football and basketball seasons, the pom-pon girls give occasional half-time shows. Amy Novakovich, head pom-pon, also helps to direct chants at athletic events.

Coach Blair Work's 1965 Football team, hampered by a lack of experience, finished the season with an 8-2 won-lost record. Included in these games were a 7-6 victory over State champions Pueblo Central and a 25-7 win over Arvada, the first such triumph in seven years. Superior leadership on the part of the senior members, positive attitude, and genuine determination were all traits contributing to the success of the spirited Farmer squad. Working as a team rather than a group of individuals, the Farmers produced a defense that was rated as one of the best in the State, allowing only one team to score more than one touchdown against them, and an offense that grew progressively stronger throughout the season.

Both the Junior Varsity and Sophomore teams seemed to be plagued by a lack of experience. The determined Junior Varsity ended the season with a 3-4 won-lost record, while the Sophomore squad boasted a 5-2 record.

State Meet

Congratulations are in order for Coach Don Cooper's 1965 Cross Country team who completed another highly successful season. The Farmer thinclads, showing consistent strength and excellent depth all year, rounded out an 8-0 won-lost record by clinching the Jefferson County Cross Country League Championship meet at Berkeley Park and finishing sixth in the State meet at Boulder. Bob Bigum's 7:31 was the best time set on the new course at Berkeley Park. Outstanding performers on the "A" squad were: Seniors, Bob Haefliger and LeRoy Knopfle; Juniors, Bob Bigum and Kent Ingram; and Sophomore, Ron Martinez. The WRHS "B" and "C" squads also swept the League Championship with the "C" squad capturing the first ten places. Turning in fine performances for these two squads were: Seniors, Dave Davis, Doug Ruckel, and Bob Schow; Junior, Pat McWilliams; and Sophomore, Tom Brookes.

Coach Dale Reed's 1965 Tennis team completed a near championship season by placing second in the league, third in District IV competition, and qualifying three in the State meet. The singles team, consisting of Pete Gearhart at No. 1, Rich Schmidt at No. 2, and Dave Brock at No. 3, lost only one match in League competition. The two doubles teams of Rich Matteson and Bob Benik, No. 1 team, and John Leslie and Kerry Hada, No. 2 team, won seven matches in League play. In District IV competition, the team captured two second places. After completing a 6-1 season, Gearhart, Matteson, and Brock represented the Farmer squad in the State meet. The need for more depth seemed to be the biggest factor holding back the Farmer netmen this year.

Coach Harvey Moore's 1965-66 Basketball team possessed all the qualities necessary for producing a highly successful season. The team members displayed great desire and determination throughout the entire season, compiling decisive victories over most foes. The Farmer cage team ranked as one of the two undefeated Class AAA teams in the state until suffering a heart-breaking upset by rival Lakewood. However, because of high team spirit, hard work, and above all great teamwork, the squad went on to cap a tremendous season record. Highlighting the second half of League play was the spectacular win over Alameda. Ranked high throughout the year as one of the Denver Post's Top 10 teams in the state, the Farmer cagers finished with a sensational 17-1 season record and a berth in the Class AAA State Tournament.

The 1965-66 Wrestling squad showed outstanding aggressiveness and determination which resulted in one of the best seasons the team has seen for several years. Under the direction of Coaches Dick Stapp and Blair Work, the team compiled a 9-3-1 won-lost-tied record, placed third in District, and qualified three wrestlers for State competition.

The District meet saw 9 of our 12 matmen take individual honors in the rugged competition. The team was led by Captain Tom Baker, a returning District Champion, and by Dave Capra, both of whom won the District Championships last season.

This year's team showed a great amount of depth, thus predicting an excellent future for the Wheat Ridge Wrestling squad.

BEAT WEEK

This year, for the first time, Wheat Ridge had an informal winter homecoming. The first week of February was declared Beat Week. The week's activities included beanies for sophomore boys and pigtails for the girls, spirit suckers, and a girl slave day. The sophomores presented the week's pep rally and the grand finale was the Sadie Hawkins barn.

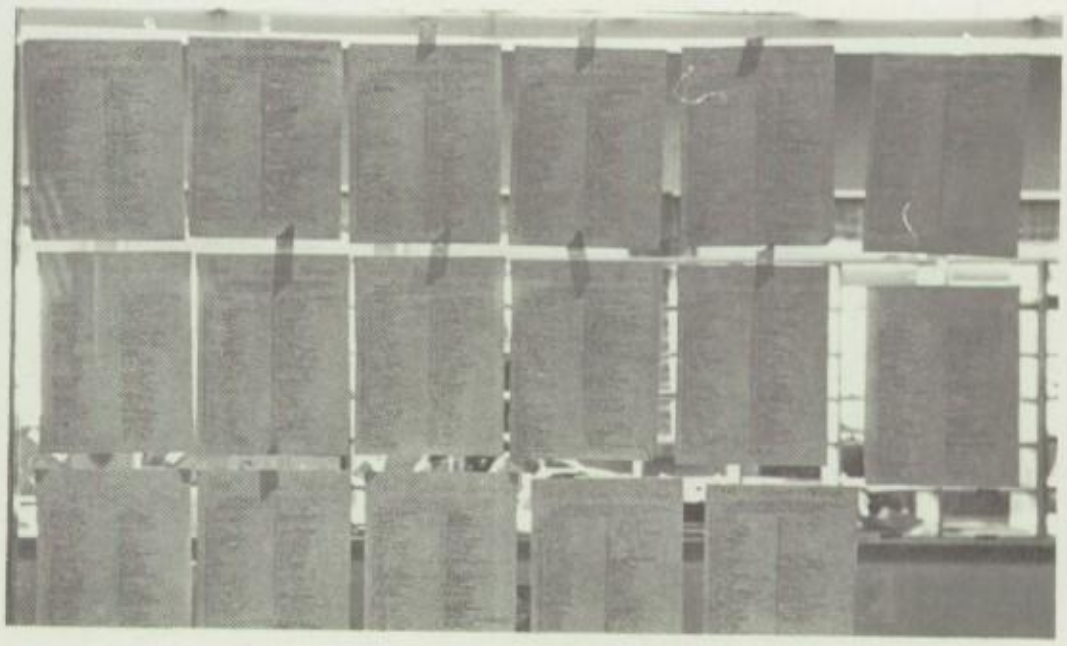
TAKE LEAGUE WEEK

The junior Take State mountain.

The week of February 21 was designated as Take League Week. This action was prompted by a first place league tie between the Alameda and Wheat Ridge basketball teams. The game with Alameda was met with anxiety and hope by all. Petitions were circulated containing a pledge of support and pledge tags were also in abundance. Preceding the game was a caravan of buses and cars. Wheaties booster boxes were seen scattered around Alameda's gym. 4,000 people were in attendance to watch the Farmers slip into first place.



Seventeen completed "Take League Pledge Petitions" displayed in the office window.

Love! Yeech!

Tall Story, a comedy by Howard Lindsay and Russel Crouse, was enacted at Wheat Ridge on March 24, 25, and 26.

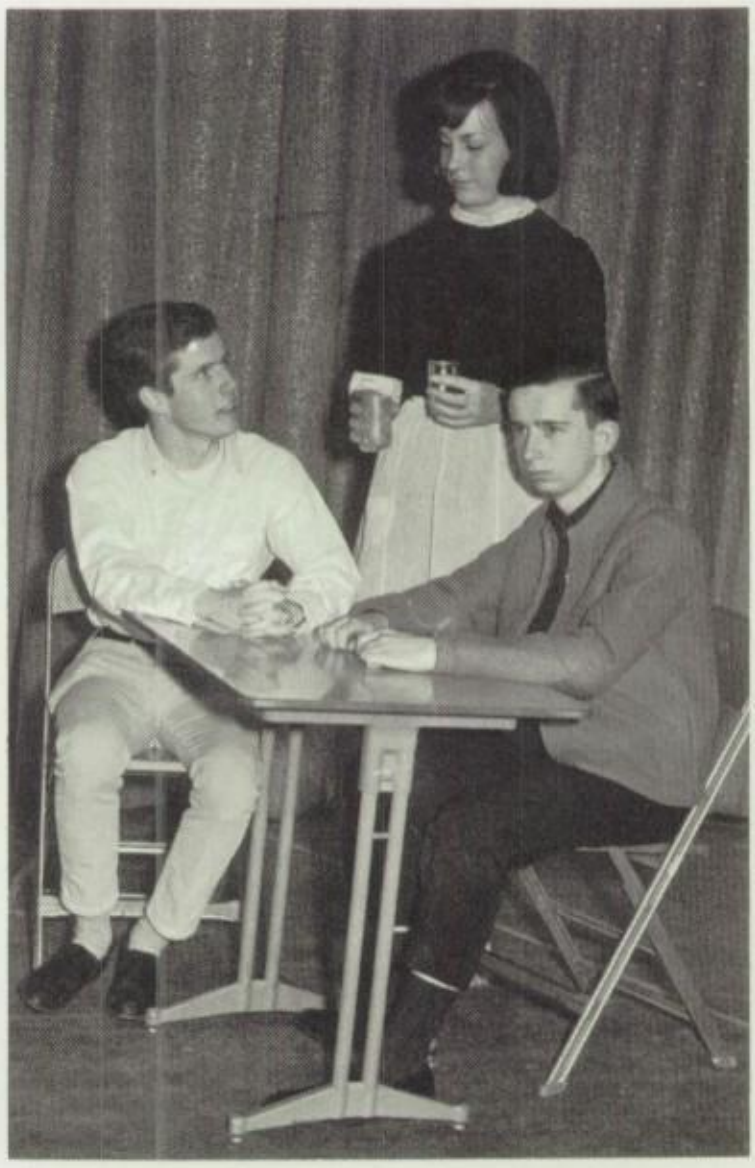
The play, involving a college basketball player who is bribed to throw the key game, is a delightful satire on college presidents, coaches, and professors. It was first presented on Broadway in 1959 where it enjoyed a successful run before being produced in the movies.

Student director was Rick Sewell, who played Becket in the school's December production. Romantic leads were played by Bini Droll and Bill Kittle. The two professors were Dan Partner and Peter Young, and Anne Gross played the professor's wife. Eleven-year-old Chuck Counce, a pupil at nearby Slater Elementary School, was borrowed for the role of the professor's son, a product of modern child psychology. There was a supporting cast of 45.

Musical director was Caroline Ibbison. Debbie Smith was head choreographer. Mrs. McKinney was the dance sponsor.

"Right now he's busy."

"Gee, when will I be as tall as you?"



"That was a pretty good drink. It petrified Mitch."

Two Boys' Staters: Paul Strickland and Tony McDonald

BOY'S STATE

Boys' State is a week long study of democracy sponsored by the American Legion. It is designed to familiarize the boys with the role of leadership and government in our state. This year's Boys' State was held on the University of Colorado campus, from June 14-June 20. Cities, states, and counties were set up, and officials were elected. A highlight of the week was a trip to the State Capitol building, where the boys acted as Senators and Representatives. This year's Boys' Staters were Kurt Kuhl, Larry Campbell, Tony McDonald, and Paul Strickland. Kurt and Tony were sponsored by the Wheat Ridge Lions Club, Paul by the Student Senate, and Larry by the Wheat Ridge PTA. These groups paid all expenses for the boys.

GIRLS' STATE

Wheat Ridge's representatives to Girls' State this year were Kay Dwyer, Kathy Boden, and Honey Niehaus. These three girls wrote letters to the American Legion Post in Arvada, explaining why they wanted to go to Girls' State and why it was important to them to learn about our state government. Girls' State was held from June 16-June 22, on the Colorado Women's College campus. The girls lived in dormitories, where they set up cities, and elected officials to the state. After the session each girl is asked to make a report to her sponsor, and to the legion post that sponsored her. Kay was sponsored by the Wheat Ridge High PTA., Kathy by the Student Senate, and Honey by the Wilmore Richter American Legion Post.

Girls' Staters: Honey Niehaus, Kay Dwyer, and Kathy Boden

CAMP CHEELE

Camp Cheeley is a leadership conference attended by delegates from all over the United States. This year Camp Cheeley was held at Estes Park, Colorado, from August 22 to August 28. The purpose of this camp is to help the delegates face the problems of Student Council. Formal and informal meetings were held, and all aspects of student government were discussed. Wheat Ridge's delegates were Nancy Kuhl and Larry Lopez.

Nancy and Larry

LEADERSHIP CONFERENCE

This is the first year that Colorado has ever held a leadership conference of this type. It was held in late June of 1965 on the Colorado State University campus. This conference was attended by student body officers and representatives from all over Colorado. Wheat Ridge's representative was Beth Day. The problems of student councils were discussed, and ideas were exchanged between schools.

PEP ASSEMBLIES

Honor Society Farmers defeat the Saints.

This year brought about many spirit-rousing pep assemblies sponsored by each of the classes, the faculty, and various other clubs and organizations. With the aid of trees, rivers, and balloons, many skits were given which added to the support of our team. The cheerleaders, pep club, and band also boosted the spirit and pep of the Farmers. WRHS school spirit led our teams to victory!

The Junior Class displays the protest against defeat and the demand for victory!

Coach Moore calls for free shot.

BARNS

Several organizations, varying from Latin Club to Honor Society, sponsored the Farmers' Barns this year, which were held after football and basketball games. "The Penetrations" and the "Bossmen" provided live music for several of these. A special barn featured "The Moonrakers." Beat Week was also climaxed by the Sadie Hawkins Barn. The crowds of Farmers that turned out for these barns made them a big success and also a lot of fun.

Rick: "All this for me?"

Pete: "Where did everyone go?"

Enthusiasm and participation were fine, but sometimes it became crowded!

FOREIGN EXCHANGE

Annika

Annika Zimdal was Wheat Ridge's second exchange student to be sponsored by the Lakewood Rotary Club. Through the year she lived with various Rotary families in the area. She felt that by spending six weeks with several families she became better acquainted with more people and acquired a better understanding of America. Annika, who came to us from Gathenburg, Sweden, was a member of FHA, ski club, and Student Senate. Said she about WRHS, "It's a lot different from Swedish schools—it's crowded, but I love it."

STUDENTS

Wheat Ridge's American Field Service Exchange student was Alois Haslinger from Salzburg, Austria. Being an active member of the International Relations Club, French Club, German Club, and Student Senate, he received a first hand taste of school life. During his year in Colorado, Hasi was the guest of Dan Partner's family.

GREENVILLE EXCHANGE

Banquet Festivities.

The Tigers from Greenville, Alabama visited the Farmers this year as a part of the Exchange Program. During their week long visit that began Dec. 13, the Southerners enjoyed school activities, tours, and parties. On Dec. 16 all 60 Exchangers toured the Air Force Academy and Colorado Springs. The week was climaxed by a ski trip to Breckenridge. The Farmers were in return treated royally as they visited Greenville in May. The Exchange was sponsored by Miss Erickson and Mr. Lyons, and Collette Coleman and Ron Meyer served as chairmen.

SENATE

All Senate meetings start with the Pledge of Allegiance.

The 1965-1966 Senate, under the leadership of Larry Lopez, has completed several projects during the school year. Among the things they have provided for the school are Homecoming activities, Upset Week, Farmers Barns, and the continuation of the support of Huynh Van Phung, a South Vietnamese orphan, under the Christian Childrens Fund. To help the school run more smoothly and to promote worthwhile activities, the Senate has set up such committees as the Pep Rally Committee, the Patriotism Committee, and the Student Teachers Administration. In addition it has created a publicity manager to provide for the advertising of school projects.

At the end of the 1964-1965 school year, elections were held for student body officers. The elections were accompanied by the usual political speeches, badges, and posters with everyone rooting for their favorite candidate. The voting was accomplished during lunch periods and after school on voting machines set up in the hall.

Hall Traffic?

This year the Safety Council has handled many programs for the improvement of Wheat Ridge. Putting up stop signs, painting the parking lot, lessening hall congestion all come under the Safety Council's domain. Wheat Ridge each year becomes a safer place thanks to this organization.

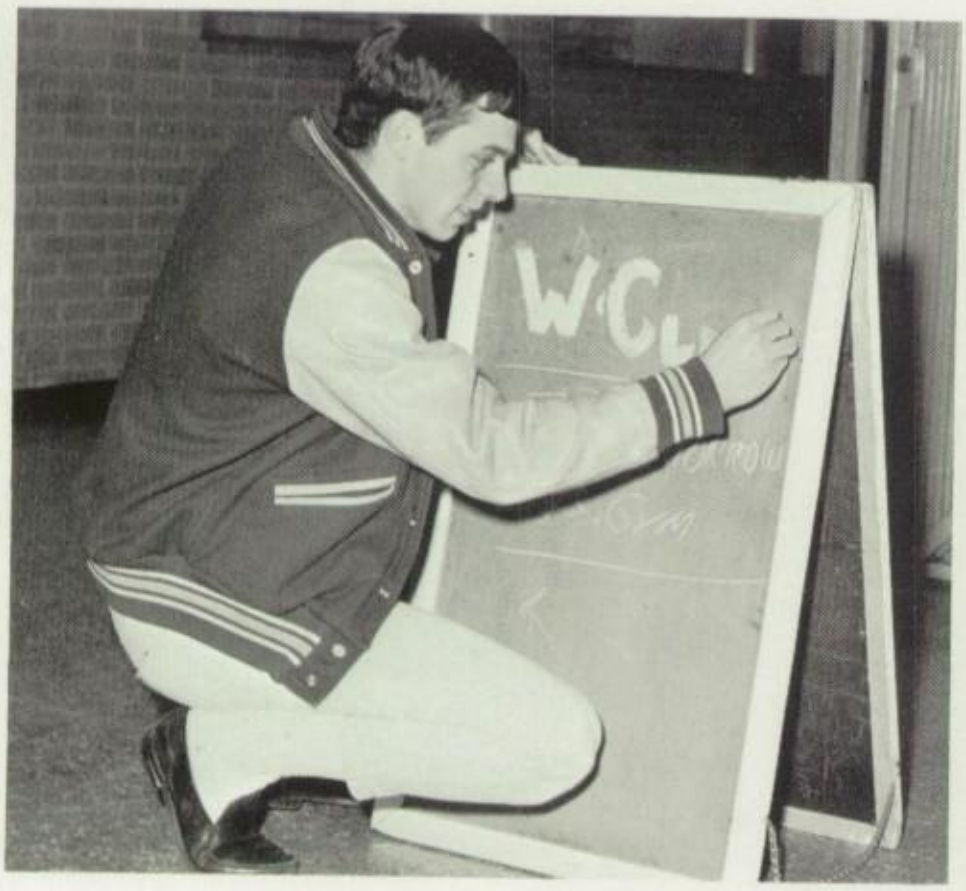
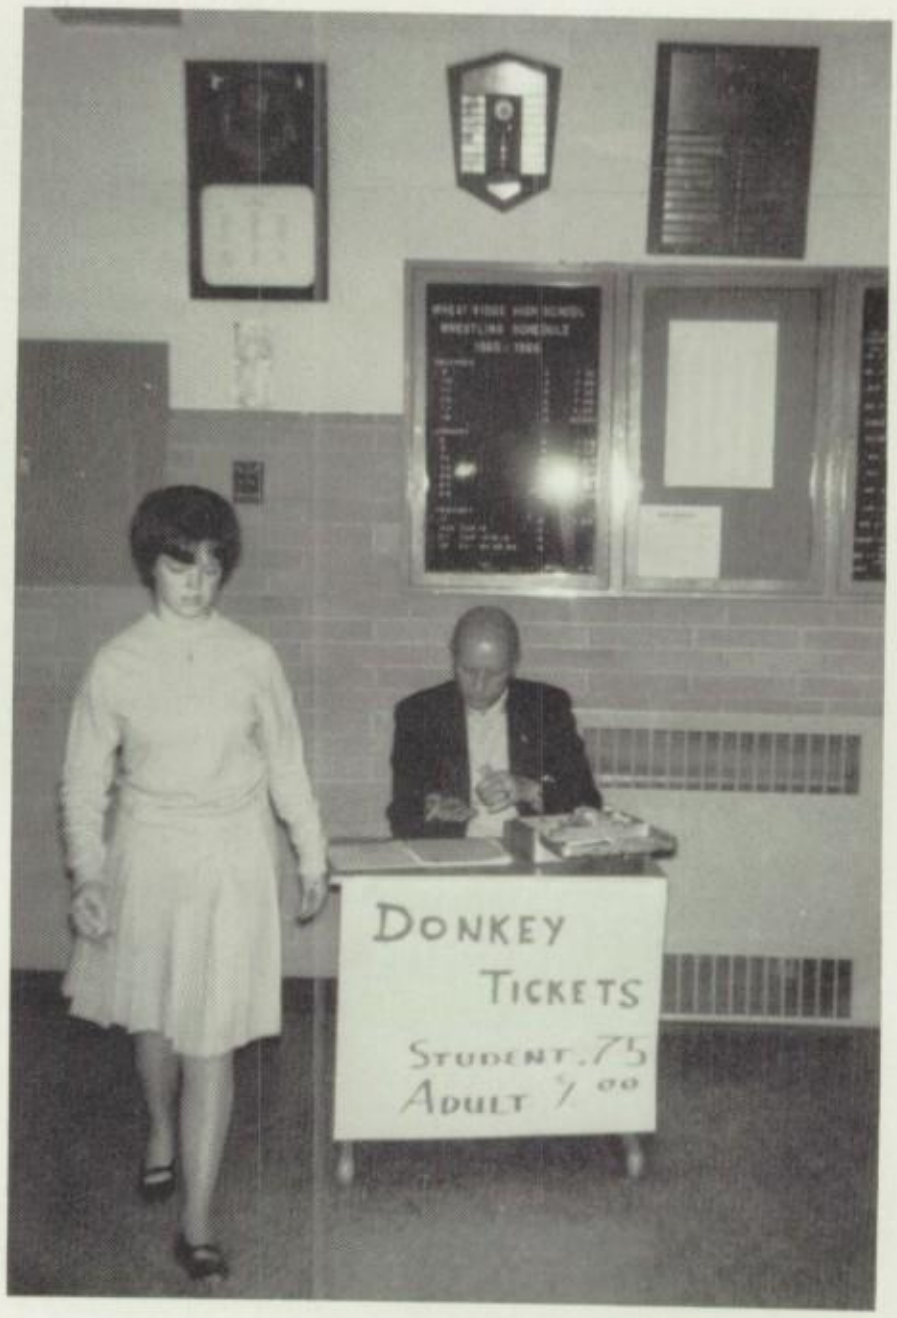
W CLUB



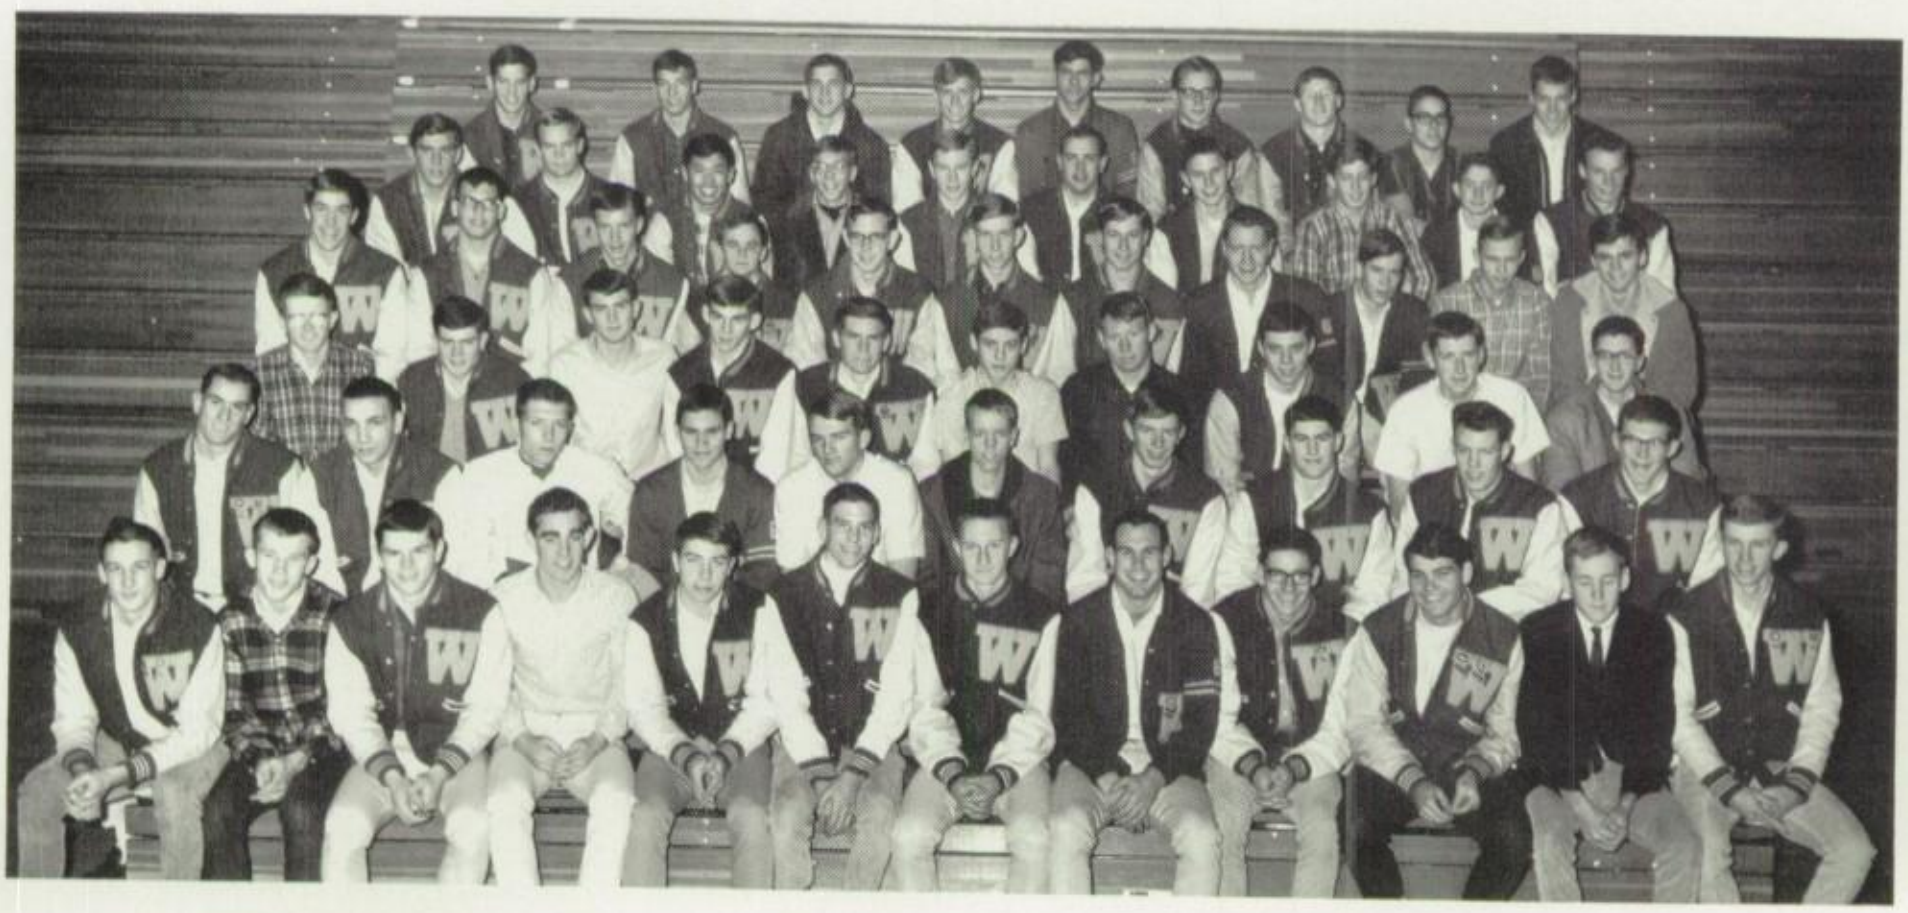
Morning meeting?

The "W" Club of Wheat Ridge High School was organized to encourage good sportsmanship, better participation, loyalty to school, and good citizenship among the students and athletes. Club activities include such things as selling "beat" tags on Fridays before sports events, sponsoring the Donkey Basketball game in January, and the toy drive at Christmas.

The membership changes through the year as boys letter in the various sports. Each sport has different requirements for lettering: in track you must have 15 points, 5 points if you place first in a meet; in basketball, one must have played for half of the total quarters and in football, half the quarters of all league games.



Mr. "W" Club himself.



Officers of W-Club for 1965-66 are: President-Bill Lazzeri, Vice-President-Dave Cribari, and Secretary-Treasurer-Tom Brown.

NATIONAL HONOR SOCIETY

Meeting

"Off With Her Head!"

The members of National Honor Society are chosen on the basis of citizenship, scholarship, service, and leadership. In past years the Honor Society has been an inactive club, but this year it has become a service organization performing such services as tutoring and providing lectures for the school.

STAGE CREW

Stage Crew involves a certain knowledge of dramatics, and quite an extensive knowledge of carpentry and electricity. The boys of the crew construct the complicated sets that you enjoy in every production throughout the year. The crew usually works an average of fifteen hours a week after school and on Saturdays, and are on call during almost any vacation.

ACADEMIC ACHIEVEMENT

The names of the students listed in the directory under Academic Achievement are the Academic Achievement Award Winners for the year 1964-1965. These students comprise the top 5% of each class. This ranking, unlike class rank, is figured on specified subjects and only for the second semester of 1963-1964 and the first semester of 1964-1965. A bronze pin indicates first winner, silver, a second year winner, and gold, a third year winner.

SYMPHONIC BAND

Band Council members are elected representatives who serve as the administrative body of the band. The smooth functioning of the organization, as well as its tradition of fine music is mainly the responsibility of these students.

DIRECTOR: LARRY WALLACE

The Symphonic Band, under the direction of Mr. Larry Wallace, represents musical achievement at its highest. These outstanding selected musicians and individuals are a proud group carrying on a tradition which has made the WRHS Band one of the finest in the state. The band is a strong democratic organization exemplifying spirit and enthusiasm in an effort to achieve the highest in musical perfection.

"All Ye Who Music Love"

CONCERT CHOIR

A new musical group made its appearance at Wheat Ridge High School this year with the organization of the Wheat Ridge High School Madrigal Singers. This select group of twenty student musicians represents students from all three grade levels, as a result of competitive auditions held in the fall. The purpose of this group is to provide another outlet in the music program for those students with talent and interest to perform chamber music from all of the different musical areas, with emphasis on repertoire of the Middle Ages. They appear in authentic Elizabethan costumes and have performed before many student and civic groups throughout the 1965-66 school year.

DRAMA CLUB

Drama Club, sponsored by Miss Lynen consisted of 75 members. They held their initiation banquet at Furr's cafeteria and have been active in attending many of the plays being performed in the Denver area. Many of the members have performed in at least one of our plays this year.

SCIENCE CLUB

We regret to inform you that the Science Club of Wheat Ridge High has no list of members for publication. This is due to the fact that they do not believe in lists, because they do not believe in dues, and they do believe in protecting the names of the innocent. All attempts to list those card-carrying members have also failed because they've all burnt their cards. The membership of the club is open to any scientifically minded student of WRHS.

International Relations Club

The purpose of the International Relations Club is to give young Americans a better understanding of international relationships, problems and conflicts. The Club achieves its purpose by scheduling speakers and movies on foreign countries, and by sending members to the International Relations Club Conventions. At the conventions, the members participate in discussions, debates, and workshops concerning international problems.

FRENCH CLUB

Oh, that German ale!

The German Club under the direction of its officers and sponsor, Mrs. Hartenstein, has been very active this year. In order to maintain its reputation for lively appetites several pot luck suppers and banquets were held. Among the other activities were a pep rally, based on a Wagnerian opera, a Farmers' Barn, and several foreign movies. An honorary German Club Membership was given to Alois Haslinger, our A.F.S. student from Austria.

This year the Russian Club has taken a giant step toward reaching its goal: An understanding of Russia, the Russian people, and their language. The club has taken numerous trips to Boulder to see films of Russian classics. Russian students and teachers from other Jefferson County schools and from Boulder attended the Russian Club banquet on November 5.

Slave girls at Initiation Banquet

Spanish Club activities for the 1965-66 school year were very successful. Included among the activities: the Initiation Banquet, highlighted by the drinking of the Spanish 'blood' by the initiates, the sponsoring of a Farmers' Barn, and the sale of refreshments on Blue and Gold Day. The reigning royalty were King, Ben King and Queens, Peggy Morrison and Judy Seeley.

The charter membership to Spanish Club is shared by 103 students this year. This number represents one of the biggest groups of enthusiasts in the 12 year history of the Spanish Club at WRHS. Miss Grossman and Mr. Truglio were the faculty members sponsoring and supervising the group's activities.

The Future Business Leaders of America Club met the first Monday of every month this year offering its members a chance to discuss plans for its many activities and to listen to an occasional guest speaker in the business field. The Wheat Ridge High School chapter of FBLA has the outstanding recognition of being the only chapter in Colorado to have received the Gold Seal Certificate for annual projects and activities, and to add an extra feather to their cap, they have received it eight years in a row. Kathy Krueger brought special pride to the organization by being elected as the state FBLA historian in November.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America were very active this year under the guidance of two new teachers to Wheat Ridge; Miss Vincie Bergschnieder and Mrs. Barbara Pearse. Many activities were planned throughout the year. They attended the state FHA convention on the Colorado State University campus in April. Everyone went all-out on a cook-book sale before Christmas and again early in the new year. For the benefit of, and open to, the student body, FHA offered professional advice by demonstration on basic make-up and make-up tricks.

The organization for future homemakers strived to teach the members how to promote better home, school and community life for now and in the future.

For an added note of interest the Wheat Ridge High School chapter of Future Homemakers of America has the largest membership in the state of Colorado. With the activities and plans that were produced this year it is not hard to see why.

FUTURE NURSES OF AMERICA

L to R: Peggy Collins, Secretary; Mel Cooley, President; Sandy Hawkins, Treasurer; Janet Famini, Vice President; Miss Cowan, Sponsor

The Future Nurses of America met together each week to learn more about a profession of the most valued kind. Members helped brighten up the hearts of lonely elderly people at Christmastime by gathering and singing in various nursing homes and hospitals. Many future nurses are getting some extra practice in early by helping as candy-stripers in some of the local hospitals, by giving aids and comfort to the elderly in the various nursing homes throughout the community or by offering to become the playmate for a mentally retarded child at Ridge Home. The Wheat Ridge Future Nurses of America are young people we can be proud of.

This is a typical meeting?

"Prez" has a few words to say.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America, which met every Tuesday, offered members a chance to find out about the opportunities and benefits in the field of education. The club sold pins to the student body as a money-making project. The FTA members had the chance to win a Katherine Clark Memorial Scholarship, given each year to a deserving young woman to aid in her quest toward the teaching profession.

GIRLS ATHLETIC ASSOCIATION

Round and around it goes.

Various activities fill the schedule of the Girls Athletic Association each year. These include the fall picnic at which skill is evaluated through gunnysack races, broom races and a form of touch football.

Throughout the year tournaments are held. Basketball, speedball, volleyball, and softball winners receive a plaque with their name on it to be hung in the trophy hall of fame.

At the spring banquet the outstanding G. A. A. member is chosen. Wheat Ridge will sponsor its first Playday in the spring at which time girls from the Jefferson County high schools will participate in various sports.

PEP

Pep Club offered the over two hundred members from the junior and senior class a chance to represent their school by wearing the proud colors of blue and gold. Backing the cheerleaders and lettergirls, they not only added color to the games but inspired their athletes onto many victories. Their job was to yell, and they certainly fulfilled their responsibility. During football season, they suffered through rain sprinklings and approaching snowstorms to see their team fight down the field. When sports moved indoors for basketball, they steamed up the windows with excitement and joy. Although there were many complaints as to strict regulations and no halftime breaks, everyone in the spirited club seemed to comply and enjoy themselves.

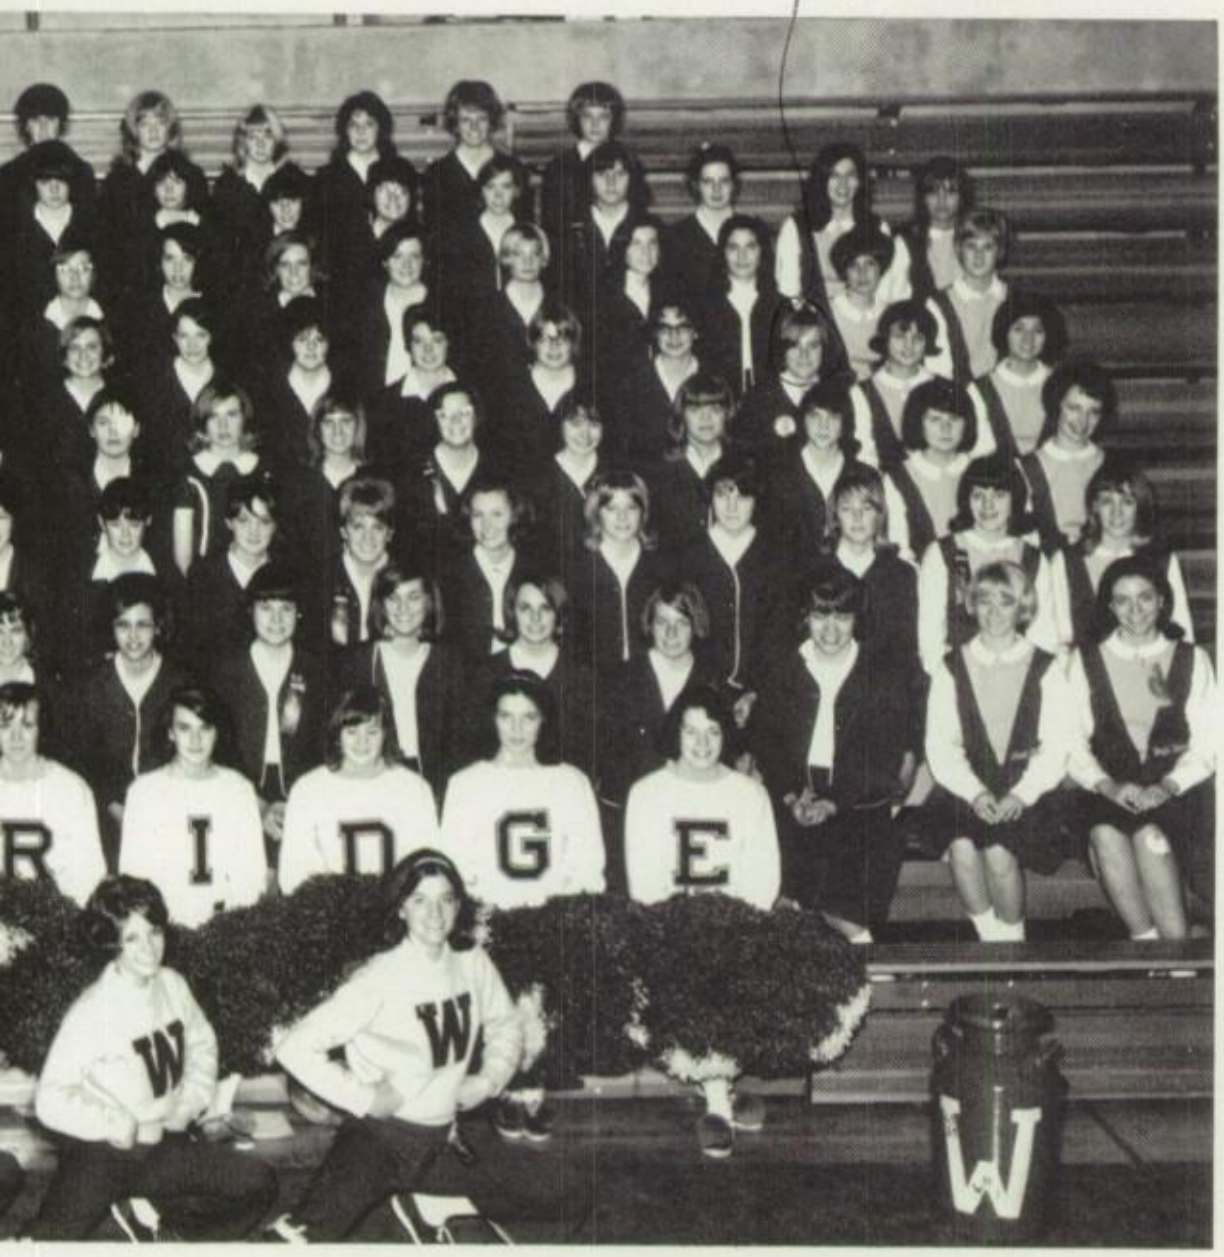
CLUB



Since each junior member had the chance to letter, she was required to attend many activities and perform extra services. The seniors had a chance to letter a second time if they too met the requirements.

Pep Club ran the refreshment stand at the basketball games to serve the students of Wheat Ridge and the visitors to our school. The club also sponsored the Pep Club Formal on February 26, at which the girl invited the boy of her choice, sort of a dress-up Sadie Hawkins Day.

Through cross-country, football, wrestling, basketball, track, tennis, gymnastics, and baseball, Pep Club was there, behind Wheat Ridge all the way.

DRILL TEAM

". . . and the farmer team for the 1965-66 season is . . ."

The Wheat Ridge High School Drill Team is one of which we can all be proud. They put on some of the most original and interesting half-time shows for the entertainment of all who attended the games throughout the year. Linda Adams and Wendy Davis, Senior Drill Masters, held the big responsibility of planning and organizing the drills and routines presented to the eager audiences. Linda Wheeler and Candy Kessner stand to take over this job next year. Precision, timing, rhythm, and many long hours of practice made our drill team one of the finest in the county.

The Agrarian Staff is proud to have incorporated in the 1966 Agrarian this section: The Hall of Fame, a recognition of outstanding graduating seniors selected by the teachers at Wheat Ridge High School. At the end of the first semester of this year, teachers who were acquainted with seniors were asked to nominate those they felt excelled in many areas, and thereby improved Wheat Ridge as well as themselves. A final vote was taken by the teachers, and the following seniors were selected to be in The 1966 Hall of Fame.

THIS YEAR

The almost endless hours
of study
Quarter exams, final grades
A student body behind
our teams
A school so moved
it just had to yell
"We're proud, boys,
We're Proud!"
Bake sales, candy sales
bond drives
Decorating for dances
A year of memories
good and bad
This year—
Wheat
Ridge
High
School

AN AFTERWORD

This year of memories becomes part of an endless stream of students who have studied and played here, of teachers who have learned as well as taught, of administrators who have guided, and of parents who have questioned and supported.

For seniors, this year marks the end of three years of laughter, tears, happiness, and disappointment; of poster parties, football games, dates, and pep rallies; of studying, learning, and testing. And this year marks the beginning of a new life, mature, meaningful, and filled with memories of WRHS.

For juniors, this year has whetted the appetite for the coming year as seniors, when new favorites will lead the school, new opinions will start trends. This year is a transition from the bottom to the top, from followers to followed.

For sophomores, this year means relief from snubbing and teasing, from being on the bottom, always last. This year of memories is the foundation for an eventful high school career.

And for future Farmers, years of memories wait to be made, just as each year waits to be lived, just as this year has passed into memories.

Five Wheat Ridge baseball players were among the leading hitters in Jefferson County. The Farmers' final league record was 6 wins and 8 losses. Thirteen players lettered this year with seven returning next year. Although it is the final scores and league standings that count, the Farmers' record does not do justice to the high calibre of the Wheat Ridge baseball players and the coaching of Mr. Bill Proctor, Mr. Jack Jost and Mr. Joe Newman.

GYMNASTICS

FRONT ROW: M. Asbury, R. Shlect, J. Irwin, M. Davis, M. Boles, B. Barker, T. Barclay, R. Sadok, L. Campbell, R. Krouse. **SECOND ROW:** Coach Bradley, T. Baker, D. Duston, D. Klutsch, D. Slade, R. Lucas, M. Reynolds, J. Stovall, D. Crabb, B. Fluken.

The Farmer gymnasts finished the 1966 season undefeated in League competition and captured the County Championship for the third straight year. The team captured the title with 152.5 points, which exceeded the sum of the scores of the other teams. Under the able coaching of Coach Fred Bradley, the team developed into the best team in Farmer history.

Steve Davis	Carl Ekberg

Bob Livonius
Medalist

The 1966 WRHS Golf team, coached by Elmer Powell and Ted Wright, turned in a championship performance. Among their laurels was the second-best qualifying score for the State Tournament at Greeley. Farmer golfers won the District Tournament with an astounding 304 total. Bob Livonius paced the District and State qualifiers with an even par 70. Upon arriving in Greeley, the team found itself rated as one of the Tournament favorites; but the cup grew smaller as the tension grew worse, and the Farmers did not show. Putts didn't drop for anyone, but medalist Bob Livonius shot a 158 total for the 36 holes to top off a year of great performances. Members of the team who represented WRHS at the State Tournament were Captain Dave Davis, medalist Bob Livonius, outstanding sophomore Dick Smith and Junior Mark Lutz. Highlights of the 1966 Golf season include the match in which Bob Livonius shot the lowest score ever at WRHS and the seventh straight County Championship in a row for the Farmers.

Farmer's Day

These Farmers drive to School in Style

With the suspense-filled win over Alameda, Wheat Ridge moved into first place and stayed there the rest of the season. By winning the league trophy, the team went to the state tournament. To raise school spirit, all Farmers dressed up one day in order to show their appreciation for the team. Farmers' Day followed with everyone donning their farmer clothes. Wheat Ridge defeated Boulder High by a score of 68 to 60 and moved into the semi-finals against Manual—the number one ranked team in the state. A fourth quarter rally by Manual pushed them over the Farmers and they won 77 to 65. The Farmers' basketball team then went on to beat Greeley Central by a score of 76 to 66 to capture third in the state. Certainly a job well done!

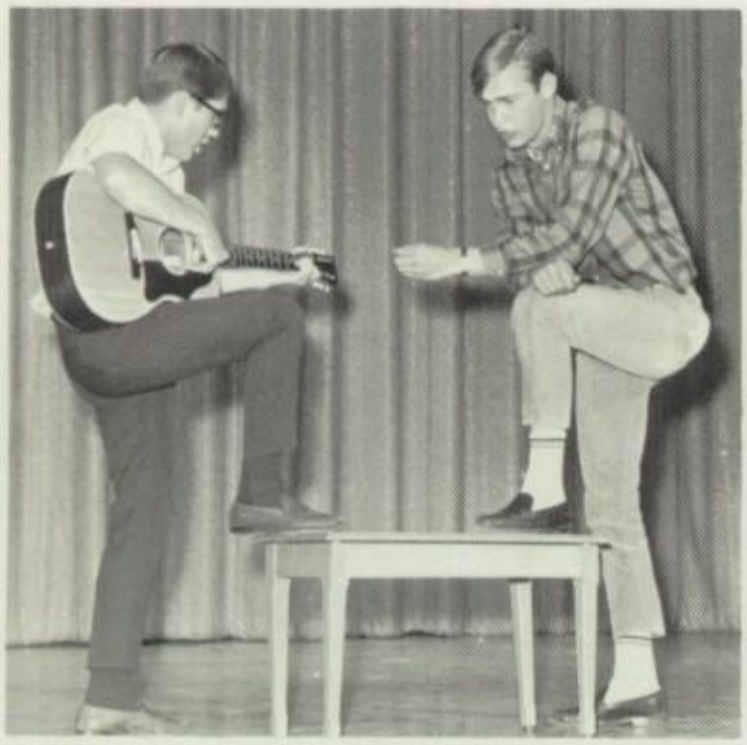
AFS HOOTENANNY



Fred Taylor and Bob Strawn

Much of the excitement of the Spring of 1966 was caused by the annual AFS Hootenanny. This year's "hoot" was extremely successful as there were many varied types of groups for the large crowd on hand. Farmers were thrilled by folk music, that expressed the cruelty of the modernday-world, nonsensical sing-along numbers, and rock-and-roll. The mood was changed several times throughout the night from the sadder end of the scale to a more delightful and humorous pace by our answer to the "Smothers Brothers."

The Action Brass

SPANISH PLAY

EN LA ARDIENTE OSCURIDAD

This bilingual production of Don Antonio Buero Vallejo's "En La Ardiente Oscuridad" or "In The Burning Darkness" presented by the Spanish V class of Wheat Ridge was a great success. Under the direction of Miss Lynen with Cyndy Fowler as student director, and narrated in English by Peggy Morrison, the play pleased the large crowd it attracted.

FARMERS' FROLIC

The year of 1966 saw a great tradition revived by the Senior Class of 1966. The Seniors would not leave Wheat Ridge without seeing FARMERS' FROLICS rock the halls of the "grand old school". Many said, "it couldn't be done," but they went right ahead and put on the first FROLICS we have seen in a long time. Many people came just to see what FARMERS' FROLICS were like and were rewarded by a Senior Dunk, Cake Walk, a basketball game and the Ugly Man contest (which the Seniors did not win), just to mention a few. The FROLICS were so successful that it has again become a tradition.

Well what can I say to by best friend? I have really had a lot of fun with you this year and I hope our friendship will always continue. Remember, the time we went to the Alameda game and getting mixed up and going to assemblies didn't ride it much), going to the wrong door, (the boys locker room door that!) I joined (remember the initiation) and never forget horrible Mrs. Tierney. Anyway, I have good luck in the future in whatever you decide to do. Love always, Idella
